

1. [www.chelsworth.org.uk](http://www.chelsworth.org.uk) . Particular thanks here to John Ramsay who scoured existing sites for material to transfer across and worked with the web designer on its creation. We now pay a small sum for ongoing maintenance so it is easier to keep up to date
2. **Open Gardens 50** At the last meeting we agreed to set-up a team to create and implement ideas to ensure we marked our 50<sup>th</sup> year in a more special way whilst retaining the overall spirit of the event. Led by Edwina Brash an ever-growing team of people have worked hard over the summer to create such an event. We will get an update at the meeting and whilst not everyone likes everything suggested (inevitable really) I would like to acknowledge the tremendous efforts of the team to date
3. **Village Maintenance:**
  - 3.1. The **Verges and the Island** continue to be cut once by the County Council and several times (generally four) by us.
  - 3.2. **Peacock Posts:** Attempts to get Suffolk Highways to repair the wooden bollards in the parking area opposite the Peacock pub have so far failed over a dispute about who paid last time. We need help from Jenny Antill and this will be discussed at our next meeting

**David Butcher**
